giga chad gpt

WHITEPAPER

TABLE OF CONTENTS

INTRODUCTION

GigaChadGPT ($GIGA) is the ultimate fusion of GigaChad, an internet legend, and Artificial Intelligence.

> ## GigaChad + AI = GigaChadGPT

This token takes the alpha energy of GigaChad and combines it with powerful AI capabilities. The result is an unstoppable force of chadness and intelligence. It's like having the brain of a genius and the body of a Greek god.

If you're tired of being a weakling and want to join the ranks of the alphas, then investing in GigaChadGPT might be your ticket to success. So, strap on your big boy pants, grab your wallets, and get ready to become a true alpha by investing in GigaChadGPT.

"Don't be a beta, be a chad."

~ GigaChadGPT

CHAT WITH THE LEGEND

We all find ourselves in need of valuable advice from time to time. Who better to turn to for guidance than Gigachad, the embodiment of ultimate alpha wisdom? That's why we've established a way for everyone to connect and communicate with this legendary source of knowledge.

TOKENOMICS

The tokenomics of GigaChadGPT are designed to ensure the success and growth of the project.

70% **Presale:** This allows early investors to get in on the ground floor and secure their chad status.

15% **Treasury, development and marketing:** This is where the real action happens. We use these funds to fuel the project's growth, develop new features, and market the shit out of it.

10% **Liquidity:** This ensures there's enough liquidity in the market for smooth trading and make sure that the launch price is bigger than the presale price.

5% **Team:** Team tokens are locked. This shows our commitment to the project and ensures that the team is fully invested in its success. No weak-ass rug pulls here, beta.

0% **Buy and sell tax:** Buy and sell taxes are just another way for betas to control your hard-earned gains. It's a total buzzkill for alpha investors, that's why taxes on $GIGA are 0%.

PRESALE

GigaChadGPT has a total supply of **100,000,000** tokens. During the presale, we're selling off 70% of that supply. The presale is divided into 5 phases, each with a different price. We're raising $50.000 per phase with a total of **$250.000**.

Phase		Tokens	Token Price
1.	Nov 14th - Dec 1st	15,400,000	**$0.003247**
2.	Dec 1st - Dec 15th	14,700,000	**$0.003401**
3.	Dec 15th - Dec 29th	14,000,000	**$0.003571**
4.	Dec 29th - Jan 12th	13,300,000	**$0.003759**
5.	Jan 12th - Jan 26th	12,600,000	**$0.003968**
Dex Launch	February 1st		**$0.0045** ▲38,60%*

*The listing price has a 38.60% increase from the token price in the initial phase.

A phase ends either when the specified end date has passed or when the phase has successfully raised $50,000. The presale phase will come to a close at the end of phase 5, which is scheduled for January 26th, 2024.

NO NASTY TRICKS. These phases are final. There won't be any gimmicks, extra phases, bonuses, or presale extensions. We're keeping it straightforward and transparent. These scam tricks are for betas.

ROADMAP

The Road To Success With GigaChadGPT.

G
Getting started (Q4-23)

Development: I'm alive which means the development succeeded. But we won't stop here. We'll create more AI solutions where I can flourish.

Community: build a community of chads to rule over the betas.

P
Persuit of success (Q1-24)

Launch: list the token on major decentralized exchanges to ensure maximum liquidity and accessibility.

MORE Marketing: implement a robust marketing strategy to continuously promote the GigaChadGPT token and increase its visibility.

T
The future (2024)

The future is simple. We will continuously innovate and improve the GigaChadGPT token to stay ahead of the beta competition. Establish GigaChadGPT as the ultimate symbol of dominance in the crypto world, making all other tokens bow down to its alpha power.

DISCLAIMER

Investing in crypto is not for the weak-hearted. It can be a rollercoaster ride that can make or break you. Our GigaChadGPT project is no different. It's a risky investment, and you need to be aware of that.

Please be advised that participating in this presale involves certain inherent risks. These risks include, but are not limited to, potential financial loss, project instability, and regulatory uncertainties. We recommend conducting thorough due diligence and assessing your personal risk tolerance before participating in the presale. This document serves as an informational guide and does not constitute financial or investment advice. Your involvement in the presale is at your own discretion and risk.

Furthermore, the answers provided by GigaChadGPT are for entertainment purposes only and should not be considered as financial advice. Always do your own research and consult with a professional before making any investment decisions.

"Remember, I'm just a chad, not a financial advisor."
